

Future of the Recreation Hall and Pavilion

Council of the Village of Macoun is reaching out to residents regarding the recreation hall and pavilion located at 745 Young St. **Council is seeking feedback from ratepayers on what they wish to see for the future of the rec hall and pavilion, as both are in dire need of maintenance and repairs.** Currently, the Village has taken over care and maintenance of the facility as there has not been an active community group supporting the recreation hall since winter 2023.

Expenses in 2025 for power and gas at the rec hall were \$3,040, pest control fees were \$630 and furnace maintenance costs came to \$1,100, all of which were covered by Village operating funds. The rec hall had two rentals in 2025 which brought \$350 in revenue.

Council is asking residents of Macoun to complete the following questions and **return your answers to the Village office no later than February 28, 2026** to allow Council to discuss next steps. Answers can be dropped off during regular office hours, placed in the drop box located to the left of the office door or emailed to macoun.sask@gmail.com
